- 2.1 The source of all funds paid by the Account Holder(s) to ACSB from time to time shall originate from the Account Holder(s)’s legitimate source, for example, legitimate business activity.
- 2.2 Account Holder(s) must provide all information and documents required and declare that all particulars given are true and complete to allow ACSB to verify the Account Holder(s)’s identity(ies).
- 2.3 ACSB shall not be held liable for the action or omission of the Account Holder(s)’s for any reason whatsoever and the Account Holder(s) agree(s) to indemnify(ies) ACSB from any losses whatsoever as a result or in connection with any delay or failure to process any application/transaction if such information and/or documents are not provided on time to ACSB.
- 2.4 ACSB reserves the following rights to reject:-
 - (a) any application if the Account Holder(s) is/are not able to prove the information and/or documents required; or
 - (b) if the Account Holder(s) is/are found to have breached or in compliance with the laws, regulations and rules on Anti-Money Laundering, Anti-Terrorism Financing and Proceeds of Unlawful Activities Act 2001 and ‘Know Your Customer’ policy of the ACSB; or

3. Personal Data Protection and Privacy Policy

- 3.1 The protection of personal data is an important concern to ACSB. Any personal data collected on this form will be treated in accordance with the ACSB’s Personal Data Protection and Privacy Policy (“PDPA Policy”). Kindly visit www.arecacapital.com to view the contents of the ACSB’s PDPA Policy.
- 3.2 Account Holder(s) has/have ensured that they have read and understood the PDPA Policy and, where they have provided ACSB with the personal data of any other person, the said person has also read and understood the PDPA Policy. By executing this **Master Account Opening Form**, Account Holder(s) represent(s) that:

 - (b) where they have provided the personal data of any other person, the said person has read and understood the PDPA Policy and he/she consents to ACSB processing of his/her personal data.

4. Unit Trust Loan Financing Risk Disclosure Statement

- 4.1 Investing in a unit trust fund(s) with borrowed money is more risky than investing with Account Holder(s)’s own savings.
- 4.2 Account Holder(s) should assess if loan financing is suitable for the Account Holder(s), taking into consideration the Account Holder(s)’s investment objectives, attitude to risk and financial circumstances. Account Holder(s) should be aware of the risks, which would include the following:
 - (a) The higher the margin of financing (that is, the amount of money the Account Holder(s) borrow(s) for every ringgit of the Account Holder(s)’s own money(s) which the Account Holder(s) put(s) in as deposit or down payment), the greater the loss or gain on the Account Holder(s)’s investment(s).
 - (b) The Account Holder(s) should assess whether the Account Holder(s) has/have the ability to service the repayments on the proposed loan. If the Account Holder(s)’s loan is a variable rate loan, and if interest rates rise, the Account Holder(s)’s total repayment amount will be increased.

- (c) If unit prices fall beyond a certain level, the Account Holder(s) may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of the Account Holder(s)'s normal instalments. If the Account Holder(s) fail(s) to comply within the time prescribed, the Account Holder(s)'s units may be sold towards the settlement of the Account Holder(s)'s loan.
 - (d) Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are experienced. Whether the Account Holder(s) eventually realise a gain or loss may be affected by the timing of the sale of the Account Holder(s)'s units. The value of units may fall just when the Account Holder(s) want(s) the money back, even though the investment may have done well in the past.
- 4.3 This brief statement cannot disclose all the risks and other aspects of loan financing. Account Holder(s) should therefore carefully study the Terms and Conditions before the Account Holder(s) decide(s) to take the loan. If Account Holder(s) is/are in doubt about any aspect of this risk disclosure statement or the terms of the loan financing, Account Holder(s) should consult the institution offering the loan.

5. Issuance of Official Receipt and Statement of Accounts

- 5.1 A confirmation note will be issued to the Account Holder within 10 Business Days from the date of investment under normal circumstances.
- 5.2 Statement of Accounts detailing all active accounts will be issued to the Account Holder periodically.
- 5.3 All items and balances shown in the confirmation notes and Statement of Accounts will be considered correct unless the ACSB is notified in writing of any discrepancy within 14 days from the date of the confirmation notes and Statement of Accounts.
- 5.4 All notices, statements, vouchers, correspondence and other communications will be addressed to the Account Holder only at the address herein.

6. Application and Remittance

- 6.1 All instructions, investments and transactions will be carried out according to the instructions of the Account Holder(s), specified in the Board Resolution or any subsequent relevant forms duly received by ACSB. - 6.5 Cash payment, cash deposit and third-party payment are strictly not allowed.
- 6.6 Units will be priced based on the Net Asset Value ("NAV") calculated at the end of the Business Day upon receipt of the duly completed **Master Account Opening Form** before the cut-off time. Units will be credited upon clearance of payment, after deduction of the necessary fees, charges, taxes and other deductions, where applicable.
- 6.7 Notwithstanding the above, for investment in money market funds, Account Holder(s) is required to ensure money is successfully remitted and cleared before submitting investment application to ACSB. ACSB reserves the right to reject or defer the application of investment if ACSB does not receive the full payment.
- 6.8 ACSB shall be entitled to rely upon the Account Holder(s)'s instructions stated herein to proceed with the application. It will be deemed irrevocable and the Account Holder(s) will not be able to cancel, stop or perform any changes to the application upon submission.

- 7.2 Bank charges may apply to all transactions involving foreign currency transfers between separate banks.

8. Redemption of Units and Cooling-off

- 8.1 Account Holder(s) may redeem units by filling up the relevant **Redemption Form** and forwarding the duly signed form to ACSB.
- 8.2 Units shall be redeemed based on the NAV calculated at the end of the Business Day upon receipt of a duly completed **Redemption Form**.
- 8.3 For partial redemption, the Account Holder(s) must leave a minimum balance of units required as stated in the respective unit trust fund(s)'s Disclosure Documents. In the event any request for partial redemption results in the Account Holder(s) holding less than the minimum balance of units required, ACSB reserves the right to fully redeem all the units held by the Account Holder(s).
- 8.4 To protect the interests of the Account Holder(s), ACSB is unable to make payments to third parties.
- 8.5 Cooling-off is not applicable to corporate/institutional investors.
- 8.6 ACSB shall be entitled to rely upon the Account Holder(s)'s instructions stated herein to proceed with the application. It will be deemed irrevocable and the Account Holder(s) will not be able to cancel, stop or perform any changes to the application upon submission.

9. Transfer-in

- 9.1 Transfer-in of units from other platforms and/or UTMC to ACSB is only allowed when there is no change of Beneficial Owner.
- 9.2 It may take approximately two weeks to complete the transfer-in process. The process may take longer as it is subject to the completeness of information/documents provided by Account Holder(s) and Transferor's confirmation.

10. Voting Rights of the Account Holder(s)

- 10.1 Account Holder(s) investing in unit trust fund(s) under the nominee system is not recognised by the UTMC as a registered unit holder under the deed. Consequently, Account Holder(s) does not have all the rights ordinarily exercisable by a unit holder, including the following:
 - (a) the right to have their particulars recorded in the register of unit holders of the unit trust fund(s); and
 - (b) the right to call, attend and vote in any unit holders' meeting.
- 10.2 Please note that this will not be applicable to unit trust fund(s) managed by ACSB as the Account Holder(s) will be the registered unit holder.

11. Income Distribution and Reinvestment Policies

- 11.1 Income distributions declared by the respective unit trust fund(s) distributed by ACSB shall be reinvested in new units of the same unit trust fund(s) except where reinvestment is not allowed.

12. Fees, Charges and Expenses

- 12.1 The Account Holder(s) shall be responsible for the payment of any charges, fees, costs, expenses, taxes (if any) and other liabilities properly payable or incurred by ACSB and in holding or executing transaction in respect of any of the units. All fees/charges may be subject to tax or taxes which may be imposed by the relevant Authority from time to time.

13. E-statements/Reports

- 13.1 The Account Holder(s) understand(s) and accept(s) the risks associated with the Account Holder(s)'s request to have their statements/reports sent via electronic means. Account Holder(s) may revoke their instruction to receive the e-statements/reports request at any time by submitting the relevant duly completed **Account Update Form** to ACSB.
- 13.2 Upon Account Holder(s)'s request to receive their statements, reports and other communications via electronic means ("e-report"), ACSB will not be sending paper-based ("hardcopy") statements/reports to you.
